5-day ramp closure at the I-43/US 41 interchange extended into tomorrow evening

Weather delays tub girder erection

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing that the northbound US 41 to southbound I-43 loop ramp at the I-43/US 41 interchange in Brown County will now re-open at 7 p.m. tomorrow, Wednesday, May 14. The ramp was scheduled to re-open at 5 a.m. tomorrow. The 5-day closure was required to erect tub girders for the I-43/US 41 flyover ramps. The recent bout of wet weather has caused delays to the multiple tub girder erections over the existing ramp.

All lane restrictions are weather dependent and subject to change.
